CCDC 2 - 2008 Stipulated Price Contract

Standard prime contract between Owner and prime Contractor to perform the required work for a single, pre-determined fixed price or lump sum, regardless of the Contractor's actual costs.

* Available in electronic format only.

CCDC 2MA - 2016 Stipulated Price Contract

CCDC 2M is developed to meet the needs of Owners with an on-going construction or maintenance program to enter into specific work arrangements quickly and easily, without having to review and re-negotiate general terms and conditions for each work order. The Master Agreement is a contract form between Owner and Contractor that is

applicable for a defined period of time and is intended to establish contractual terms and conditions (excluding scope, time and cost) for multiple projects during that time period. Each project will be ordered by means of Work Authorizations, that define the Project Specific requirements like scope, price, time.

CCDC 3 - 2016 Cost Plus Contract

Standard prime contract between Owner and prime Contractor to perform the required work on an actual-cost basis, plus a percentage or fixed fee which is applied to actual costs.

* Available in electronic format only.

CCDC 4 - 2011 Unit Price Contract

Standard prime contract between Owner and prime Contractor to perform the required work for a pre-determined, fixed amount for each specified unit of work performed. The total price is determined by multiplying the unit price by the actual, measured quantity of work performed for each specified unit.

* Available in electronic format only.

CCDC 5A - 2010 Construction Management Contract – For Services

Standard contract between Owner and Construction Manager for which the Work is to be performed by Trade Contractors. The Construction Manager acts as a limited agent of the Owner providing advisory services and administering and overseeing the contracts between the Owner and Trade Contractors.

* Available in electronic format only.

CCDC 5B - 2010 Construction Management Contract – For Services and Construction

Standard contract between Owner and Construction Manager to provide advisory services during the pre-construction phase and perform the required Work during the construction phase. At the outset, the Work is performed on an actual-cost basis, plus a percentage or fixed fee which is applied to actual costs. The parties may agree to exercise the following options: Guaranteed Maximum Price (GMP), GMP Plus Percentage Cost Savings, and conversion into a Stipulated Price Contract.

* Available in electronic format only.

CCDC 9A - 2001 Statutory Declaration of Progress Payment Distribution by Contractor

A sworn statement for use by the Contractor as a condition of receiving payment for either the second and subsequent applications for progress payment or the release of holdback funds.

* Available in electronic format only. This document is a free download.

CCDC 9B - 2001 Statutory Declaration of Progress Payment Distribution by Subcontractor

A sworn statement for use by the Subcontractor as a condition of receiving payment for either the second and subsequent applications for progress payment or the release of holdback funds.
